I'm weak. Don't bring that shit up to me man. No I did not fucking call myself that I would never. I'm not a sex slave. I would never prostitute what do I look like? I would never, my parents raised me better. Idk how the sex slave got in the police report BUT I got it taken care of and taken off because that's not my occupation. I have 2 whole jobs. I've been spending every minute of the day with my family and bbg. I just went back to work at dahlia Saturday and I go back to elements massage at the end of this month. There's no possible way for me to be wilding because I don't have an apartment anymore
